RENEWED PETITION UNDER 37 CFR 1.137(b)

In response to the communication dated July 5, 2007 rejecting the Petition to revive application Serial No. 09/321,788 due to failure to pay the appeal brief fees, Applicants therefore submit the payment for appeal brief and renewed Petition.

Please charge IBM Corporation Deposit Account No. 09-0447 in the amount of \$500.00 for previously submitted appeal brief. As the communication dated July 5, 2007 indicates that receipt of the \$1500 petition fee was acknowledged, no additional fees are believed to be necessary. If, however, any additional fees are required, including the petition fee I authorize the Commissioner to charge these fees which may be required to IBM Corporation Deposit Account No. 09-0447. No extension of time is believed to be necessary. The office has indicated that the appeal brief has been received.
